

2025 AWHONN MEMBER RECRUITMENT AND REWARD PROGRAM

Help spread the word about AWHONN to other nurse professionals!

AWHONN's Recruitment and Rewards program is a great way to share the value of membership. It supports nursing excellence, advances knowledge, and promotes career growth. When you recruit **new** Full Members, you'll earn rewards like Amazon gift cards, AWHONN Store credit, Annual Convention registration, and more.

All current AWHONN Full Members are eligible to participate as recruiters.

Please note: Only individuals who have never been AWHONN members before and who join as Full Members are considered new recruits. Rejoining or renewing members, or those joining at other membership levels, do not count toward recruiter totals.
